1. Which characters are “in pain” in this story? Are they ill? 

2. Where does the pain come from? 

3. Which person is the most (and least) aware of themselves and their actions? Why? Could this be related to illness or health? 

4. How does the class help or not help individual people such as Pi’kun? Why is this important? 

5. How does the past impact people in this story? 

6. Does bullying affect people in the story?
